

Social Enterprise UK Gift Guide 2024

Each and every wonderful item in this gift guide is from a social enterprise making a difference to communities or the environment. Social enterprises are businesses with a social or environmental purpose and they use the majority of any profits they make to further their mission. Contained within these pages are gorgeous toys, clothes, food and more that your friends and family will be delighted to unwrap this festive season - all from businesses that are built to make a difference.

Give a gift that gives back this festive season.

Welcome to the Social Enterprise UK Gift Guide 2024

We have got your shopping covered, from children’s toys and socks to babygrows and beer. These presents with purpose include those made by organisations dedicated to creating opportunities for vulnerable groups, businesses helping rebalance the terms of trade, and those creating sustainable solutions to take on the climate crisis.

Every single company featured here we are proud to call a member of Social Enterprise UK: the membership organisation for social enterprise. By purchasing from one of these amazing companies, you are helping social enterprises change the world and further their mission - one lovely gift at a time.

Happy shopping!

In this guide, you’ll see some items have the eBay for Change logo; this means they are part of the eBay for Change programme, where eBay connects shoppers with small businesses with a social or environmental mission. All of these social enterprises have their own eBay stores, where you can learn about their mission and buy from them.

Additionally, Social Enterprise UK has its own eBay for Change store featuring a curated selection of gifts from some of our members. We’re planning to include more and more social enterprises in the store over time, to showcase the range of fantastic products available from our members. about the social enterprises

A Story In T Shirts is a sustainable t-shirt brand sharing profits with projects that rescue, repair and transform the lives of people and the planet. 25% of the sale price of every t-shirt goes to the project it supports and 25% goes to the illustrator.

Adult training in equality, diversity and inclusion (EDI) but mainly in race and gender. At least 10% of sales of goods and services goes into purchasing toiletries for school-children from low-income families.

Arkbound Foundation is a non-profit CIO social enterprise, grassroots, lived experience EDI founded and led, with a mission to widen access to literature and improve diversity within publishing. Our books dispel negative stereotypes, as we actively support aspiring authors from disadvantaged backgrounds, giving their social and environmental messages a voice.

ELVIS & KRESSE

Elvis & Kresse was established in 2005 to save London's decommissioned fire-hose, hoses that had become too damaged to repair and were going to landfill. We fell in love with these brave old hoses and mounted a rescue; our skilled craftspeople make beautifully designed bags and homeware from 15 different reclaimed materials. 50% of profits are donated to our charity partners.

Beam supports people experiencing homelessness into safe homes and secure jobs across the UK - including refugees, prison leavers, and young people. Our unique casework-crowdfunding model harnesses the power of community and technology to help people overcome barriers, improve their wellbeing, and grow their skills to live and work independently.

The Essex Witch Museum CIC aims to collate and preserve the history of the witch trials held in Essex through the 16th to 18th Centuries, and create an interactive in-person museum giving voices to those who are persecuted and 'othered' by society.

Better exists to improve the physical, mental and social wellbeing of local communities. Operating across leisure centres, spas, swimming pools, childrens centres and libraries, every penny that GLL makes is reinvested back into our business to support our social purpose.

We are a fair-trade social enterprise supporting artisans in the majority world by preserving earth-friendly, endangered crafts. Our handcrafted, sustainable products—wooden toys, accessories, décor, furnishings, and unique Christmas ornaments—are plastic and chemical-free. Sourced directly from artisans, our collections offer one-of-a-kind pieces you won't find on the high street.

Bikeworks uses cycles as a tool for good to address inequalities across communities. We believe everyone should have access to cycling for physical activity, wellbeing and connectivity. Our All-Ability Clubs provide fun and freedom to over 3,400 disabled children and adults and their families and carers.

We review our supply chain and manufacturing to ensure we have the lowest environmental impact allowing us to deliver enhanced Scope 3 reporting and carbon analysis with every order. We use our profits to fund homeless employment, prison reform and dementia support to individuals and families.

BOUNCEBACK FOOD

Bounceback Food CIC is a social enterprise fighting food poverty across the UK. Their Community Cookery School teams teach people how to cook, run food bank drives at market events, help people get jobs in the food sector and coordinate community meal drives that provide emergency meals for beneficiaries.

Buying gorgeous gifts for a beautiful baby is one of life's pleasures. But too many babies in the world have no one to give them gifts, or anything else. So at From Babies with Love, we do things differently. Every penny of profit from our unique, ethically sourced designs goes to orphaned and abandoned children around the world.

Gilguzi creates organic skincare solutions for people with acne, eczema, and sensitive skin. Our mission is to promote healthy skin while empowering refugee women through employment opportunities, fostering independence, and creating positive social impact. We prioritise sustainability and minimal ingredients for maximum effectiveness and safety.
